Registering your shares for sale on the Website:

Once registered the seller may change, update, add to or cancel the website listing by contacting the Company Secretary, or alternatively by submitting the 'online sell shares' form.

Buyers enquiring to buy shares for sale will be directed to the shareholder. It is then up to the seller to contact the buyer to open negotiations.

Buyers:

Share Enquiries and Sales:

People wishing to buy shares must register their interest using the form provided to the Company Secretary, who will forward the details onto the seller(s). It is then the responsibility of the seller(s) to contact the buyer to open negotiations.

Sale of Shares:

Negotiated:

Share sales are negotiated by the seller and the buyer on a private basis, and Aerial cannot act as an agent for either parties, however Aerial will assist with any questions that you may have about the company or its shares.

Once agreement is reached between a buyer and a seller the 'Transfer Shares' form, included in this pack, should be completed and signed by both the seller and the buyer. Both parties will then make an appointment with the Company Secretary at Aerial Capital Group to finalise the transfer. The seller must provide his/her original Share Certificate, as well as the completed 'Transfer Shares' form. The original Share Certificate will then also be signed by both parties at the meeting.

*Please refer to page two of the Share transfer form in relation to signatures required to transfer shares from or to Joint holdings, Companies, or Deceased Estates.

After these documents are signed and provided to the Company Secretary, the payment transaction may take place between the two parties.

The transfer of Aerial shares will also attract a \$55 fee for administrative services payable by the buyer. Once the administration fee has been paid, to complete the transaction a new Share Certificate will be drawn in the buyers name, and the shares officially entered into the Company Share Registry.
