## **Plate Leasing Process:**

Being an Accredited ACT Taxi Network, Aerial provides assistance to both plate owners (Lessors) and operators (Lessees) regarding the leasing of taxi plates affiliated with their network.

Aerial can provide a proforma contract specifically designed for the ACT Taxi Industry for use between the plate owner and the operator, at a cost of \$15.

Prospective ACT Taxi Operators must become Accredited Taxi Operators with the ACT Road Transport Authority, prior to negotiating a lease.

Details regarding Taxi Operator Accreditation can be obtained through the ACT Government Road Transport Authority website:
